**Hi Everyone**

**It was an awesome time and event that we look forward to with team Pawa and our families  
 To sit down share stories, ideas and laughs but most of all to just have fun  
 And enjoy dinner, another way of bringing us all together  
 as we looked back at 2025 and what a way to start out a new year 2026**

**Not all of our team members were able to join us, for this one, but were missed  
 we are just getting started, so there are many more get togethers to follow**

**As K1KOS, Sheldon would say, any time spent together is time well spent, that is so true**

**Sending out a Big Thank you, to everyone that stopped by to join us along with  
 The staff at Barrett's a special Thank you, to our waitress Nicole who did an awesome job  
 As we all worked together to make this a success**

**Talk to you soon, my friends**

**It's truly a pleasure to be part of team Pawa, a group where team members become friends  
 As we enjoy our hobby, as we take amateur radio into the future  
 And carry on a Pawa Tradition**

**Thanks again**
