Hi everyone,

Our PAWA Tag Team POTA Club Activation and Fox Hunt on Saturday. It was an enjoyable day on the air and in the field, and a success from start to finish.

Our operators kept the stations active throughout the day, logging contacts, sharing techniques, and helping our members get comfortable with the flow of a tag-team activation on the air working the bands

Our PAWA Fox Hunt added a fun adventure to the event, and it was great to see members working together, tracking the signal and experimenting

Team Members - Tag Teams - that hunted and found the fox and received certificates were

N1ZAG, Jason / N1NTM, Mike

KC1NDQ, Fran / Brogan

KC1TLT, Wendy ' KA1YL, Connie / KC1TOL, Deb
